

ART MATERIALS LIST

A Passion for the Figure Nicholas Pearce

No supplies will be required for the first class. Nicholas will go over the following list required for the remaining classes as well as additional equipment that may be needed.

Canvas - 30" x 40" stretched canvas, loosely painted with Mars Black acrylic paint or black gesso.

Paints - A good quality brand of acrylic paint in these colors only:

- Titanium White
- Cadmium Red LIGHT
- Cadmium Red DARK
- Cadmium Yellow Medium
- Phthalo Blue (Golden makes a Phthalo Blue (green tint) and a Phthalo Blue (red tint). It's your choice).

You may also bring a Mars Black if you haven't already painted your canvas but we won't be using it for the painting.

Brush - The only brush used is a Purdy brand 1 1/2 in. XL Dale house painters brush. You can buy them at Island Blue or most house paint stores.

Palette - I have found that the best palette for acrylics is a tupperware type container. I put the paint on the inside of the lid. When taking a break invert the container onto the lid and snap shut. With the lid tightly sealed, the paint stays wet for days.

Drawing supplies - A yard stick and white water soluble (Staedtler karat aquarell) or pastel pencil. The yard stick will be used for gridding the canvas and the pencil for the drawing. You may want to grid the black canvas before the class with lines drawn every 5" with the white pencil.

Also bring a bucket for water and a large rag.
